

Important notice for motorists and residents

Mt Spec Road slope stabilisation works

Nightworks and temporary road closure

The Department of Transport and Main Roads would like to advise that slope stabilisation works on Mt Spec Road between Fairy Falls and Maiden Hair Fern Creek will commence from Wednesday 3 July 2024.

These important works are required due to the deteriorating condition of the rock walls and will prevent failure of the rock walls along this important heritage listed road.

Works will be completed at night to minimise traffic disruption and the impact on local businesses and residents. A full road closure is required as a construction machinery will be in place on the road and vehicles will not be able to pass due to narrow road width at these locations.

Night works including full temporary road closure will occur from: **Wednesday 3 July to Friday 4 October**

With a working roster of 10 days on 4 days off between 6pm – 6am
Friday night road closure will occur 7pm and reopen 6am Saturday.

All work is subject to weather conditions, contractor availability and construction progress.

What to expect:

- A full temporary closure of Mt Spec Road will be in place each night between Fairy Falls and Maiden Hair Fern Creek from 6pm Wednesday 3 July to 6am Friday 4 October
- Mt Spec Road will reopen from 6am throughout the works period.
- In an emergency that requires Queensland Emergency Services to travel to Paluma Village, access will be provided by the contractor.

For further information about these works, please contact:

TMR Northern District - Customer and Stakeholder Management
